**DAMOTEK**  
equipment for extinguishers & cylinders

DESIGNED &  
MANUFACTURED  
IN ITALY

DCP & FOAM EXTINGUISHER  
FILLING

CO<sub>2</sub> CYLINDER  
FILLING

CLEAN AGENTS  
FILLING & RECOVERY

INERT GASES  
FILLING

CYLINDER TESTING  
& MAINTENANCE

REFRIGERANT GASES  
FILLING

## DCP & FOAM EXTINGUISHER FILLING

Equipment and accessories for extinguishing dry powder and foam filling. Damotek offers a comprehensive range of units for plant workshops as well as mobile service equipment.

## CO<sub>2</sub> CYLINDER FILLING

Extinguisher and cylinder filling systems with CO<sub>2</sub> coming from cylinders / bundles or cryogenic storage tanks. CO<sub>2</sub> transfer and recovery units are available also pre-assembled on skid: pumps and filling stations with automatic or manual control.

## CLEAN AGENTS FILLING & RECOVERY

Units for filling and recovering fire suppression clean agents such as NOVEC™1230, FK-5-1-12, FM200®, HFC227ea, HFC125, NAF® S 125, NAF® S 227, HALON & OTHERS.

Our range includes flushing units and mixing inverters for diffusing pressurization Nitrogen inside the cylinders.

## INERT GASES FILLING

Systems for cylinder filling with inert gases such as Argon, Nitrogen, CO<sub>2</sub> (IG55, IG100, IG511, IG01) up to 300 bar operating pressure, in compliance with EN12094 and ISO14520 standards.

## CYLINDER TESTING & MAINTENANCE

Complete line of equipment and accessories for fire extinguisher and cylinder testing and maintenance in compliance with ISO CGA standards. Our range includes units for: cylinder or extinguisher hydraulic testing, drying, valving/de-valving, outer surface cleaning, painting, internal grit-blasting, internal inspection, marking.

## REFRIGERANT GASES FILLING

Transfer units, cylinder and IBC tank filling stations from ISO/stationary tanks for most common refrigerant gases.

- ▶ **DAMOTEK** is a well-established and liable manufacturer of equipment dedicated to fire extinguisher and cylinder service, testing and filling.
- ▶ **35 years of experience:** founded in 1982, the company is a leading reference for most relevant gas, fire & safety organizations and multinational groups.
- ▶ **WORLDWIDE PRESENCE** with Export > 60%. The company markets his products in nearly every country throughout the world, in Europe, Northern Africa, Middle & Far East, U.S.A.
